Correspondence regarding the compulsory retirement of inefficient Officers.

PARAGRAPHS I.—We often experience great difficulty from the Rules in force not allowing the grant of a pension when, owing to inefficiency, which may, perhaps, not always be his fault, an officer is no longer able to perform satisfactorily the duties required of him.

2. We forward herewith a copy of papers relating to the case of A. B., as an illustration of the inconvenience. After serving Government for about 25 years, A. B. was removed for inefficiency, for which he was clearly not to blame.

2 It appears from the papers forwarded with your letter that C D has been in the Department about eleven years, but that he has not proved an efficient officer, which may, however, be probably accounted for in some measure by the bad health from which he has suffered, and that the Local Government are of opinion that the most economical course to pursue in his case would be to give him a gratuity, and dispense with his services

3 It is not desirable that frequent relaxations of the Rules should be permitted. At the same time it involves serious hardship if officers are thrown out of employment when they have not failed in the discharge of their public duties, and are refused all compensation therefor

4 The Governor General in Council therefore deems it necessary to remind all Departments, Local Governments, and officers concerned that, in any scheme for reorganising an establishment

the claims to pension that may arise in consequence of the reorganisation should always be considered before a change is made, and, except in cases of very urgent necessity, no revision of establishment should be carried out which would have the effect of giving rise to claims to Compensation on pension, the cost of which cannot be met out of savings effected by the revision. As stated in ... (Article 471), if the saving does not exceed the cost of the pension, "it may be better to postpone the reduction of establishment or abolition of appointment."—(Circular by the Government of India, Finance Department No 1520, dated 22nd July 1878)

REMARK II.—It is, doubtless, the duty of all public officers to take every suitable opportunity to introduce improvements in the Administration, and as the rules now standing personal claims, such as those of A. B., often impede administrative reforms otherwise desirable. But it is easy to see that, if the Government were prepared to compensate every one whom it desired to supersede on such occasions reforms might indeed proceed more rapidly, but an infinitely larger expenditure for Compensation pensions might ensue; and this the Government of India is not at present authorised to incur, or prepared to recommend to the Secretary of State.

C. Local improvements must, therefore, be carried out with a due regard to these considerations; and it should be clearly understood that if a public servant is discharged, as, in the present instance A. B. has been discharged, and merely at the charge of the Public Revenues for the loss he sustains is not to be expected.—(Government of India, Finance Department, to Bombay, No 2753, dated 6th September 1878.)

Orders of the Secretary of State deprecating recommendations for "special pensions"

EXTRACT I.—I take this opportunity of calling your attention to the practice of recommending Unenrolled Servants for special pensions. The Code of Rules, which was published on the 4th of January 1931 prescribed that "the rates of pension shall be fixed on a graduated scale, with the prescribed limitations, with reference to the responsibility and arduousness of the employment, the degree of merit of the individual, and the nature and length of his service," and in my Financial Despatch of the 8th of December 1862 No. 205, I observed (paragraph 3) that "pensions of the full amount stated are to be granted only as the reward of approved service." It appears, however, to be the custom of several Departments in India to recommend, in nearly every case, the full amount of pension which the Rules permit; and whenever the service rendered has been at all above the average character, a special pension is recommended in excess of that which the Rules authorise.

It cannot be too strongly insisted upon and made known to the whole body of Unenrolled Officers, that the full pension authorised under the Rules is not to be given as a matter of course, but only when the service performed has been really such as to merit the approval of Government and this should be invariably kept in view in considering recommendations for pension. It is easy for your Government to keep within the limits which the Rules authorise; but there is a manifest inconvenience in the Home Government refusing to grant a special pension which may have been submitted to them with the weight which must always attach to a recommendation by your Government.—(Secretary of State, No 174, dated 30th September 1863)

EXTRACT II.—You enquire whether it is open to your Government, under * (Article 510) to recommend to the Home Government the grant of Special pensions not only in excess of the money limits prescribed by the Rules, but also in excess of the limits of one third or one-half of Average Emoluments, as the case may be.

The First of Rules published by you merely embodies existing Rules as to the grant of pensions, and interpretations thereof, and is intended for the guidance and information of your officers; but it can scarcely be held to absolutely preclude your Government from making any special representation to the Secretary of State you may see fit in any particular case.

The inconvenience, however, of recommending Unenrolled Servants for Special pensions was pointed out in paragraphs 8 and 9 of the Financial Despatch, dated 27th September 1863, No. 174, and I see no reason to modify the opinion therein expressed.—(Secretary of State, No. 631, dated 7th & 8th September 1872)

EXTRACT III.—I authorise you to grant Lieutenant A. B. the higher portion of a Deputy Commissioner, in lieu of that of an Assistant Commissioner, to which only he is entitled under the Regulations. I do so, however, to express my general disapproval of increasing the Non-official charges by the grant of any pensions in excess of what the Regulations of the Service provide

Appendix No 7.

save in cases of very exceptional and distinguished service. Mere length of Service, however faithfully performed, is not, I consider, in itself a sufficient ground for exceptional reward
—(Secretary of State, No 92 dated 8th March 1877)

EXTRACT IV.—4 The recommendations for the grant of pensions in excess of the amount admissible under Rule have of late been frequent and it appears to have been occasionally overlooked that service of an approved character does not give a soldier a claim to a Special pension, but as pointed out in the Despatch of 1863, above referred to is the condition on which the grant of a pension of the full amount authorised by the Regulations should depend—(*Secretary of State, No 218, dated 30th June 1880*)

6 I am, however, unable to accede to your recommendation for the grant of a special pension to * * * * * as, although he is an efficient and meritorious officer, his qualifying period of service is comparatively short, and his services do not appear to be of such extraordinary merit as to give him a claim to a pension in excess of the maximum amount admissible under rule 1 to an officer of approved service.

2 In considering the grant of exceptional pensions, it is necessary to bear in mind the important difference in the case of civil officers who entered the service before the 10th of May 1860, for whom pensions exceeding £5,000 a year may, under the rules, be recommended if the service has been of extraordinary merit, and that of officers who entered, subsequently to that date for whom there is no such provision. Special pensions which are in excess of the amounts authorized by the Regulations should, as was observed by the Earl of Kimberley in his Despatch of the 11th of February 1886, No 44, be only granted for the highest merit.

Extract, paragraphs 3 and 4, from a Dispatch from Her Majesty's Secretary of State for India.—No. 133 (Financial), dated 8th August 1895.

3 In paragraph 9 of Sir Henry Fowler's Despatch, dated the 11th of April 1895, No. 69, the grant of an additional pension of Rs. 1,000 a year was sanctioned in the case of Heads of Departments provided that they shall have rendered not less than three years' service in that capacity, and have shown during such service special energy and efficiency in the discharge of their duties.

4 The cases in which the grant to other officers of a pension of Rs 6,000 a year is recommended should therefore be very exceptional, but in view of the opinions expressed in your despatch as to * * * * * services, I sanction the grant to him of a special pension of Rs 6,000 per annum.

Rules relating III “Commutation of Pensions”, with Annuities and Assurance Tables.

COMMUTATION OF PENSIONS

1 The only general rules for the commutation of pensions are those in this Appendix. The Government of India is opposed to the commutation of pensions save under very exceptional circumstances; the *Local Government* should invariably consult the Government of India before ordering (under section 10 of Act XXIII of 1871) the commutation of pensions otherwise than as provided for in this Appendix.

Section 10.—The *Local Government* may, with the consent of the holder, order the whole or any part of his pension, or grant of money, or land revenue, to be commuted for a lump sum on such terms as may seem fit.

2 Rule 1 is not to be understood as interfering with the rules issued with the sanction of the Government of India for the commutation of any special classes of pension in any Presidency or Province.

3 (a) A life pension not exceeding twenty rupees a year may, at any time, on certificate of good health by the Medical Officer (whether commissioned or not) of the district, and provided the pensioner's age does not exceed seventy years, be commuted at the rates shown in the annexed table A.

(b) The pension of a pensioner whose age is more than seventy years cannot be commuted except by special order of the Government of India.

4. Before sanctioning, or submitting for the orders of the Government of India, as the case may be, an application for the commutation of a pension, the *Local Government* shall obtain a report from the *Audit Officer* as to the amount payable in commutation.

NOTE.—[This rule also applies to Political Pensions.]

■ If a pensioner whose pension has been commuted dies before receiving the commutation value this value is payable to his heirs.

ANNUITIES AND ASSURANCE TABLES

MEMORANDUM BY MR J WESTLAND, COMPTROLLER GENERAL, DATED 18TH MARCH 1882

Tables of Annuities and Assurances prepared for the Post Office (Life Assurance Branch)

Tables of annuities and assurances depend upon two data—(1) the rate of interest, (2) the rate of mortality.

As regards the first, I have the instructions of Government to adopt 3½ per cent per annum as the foundation of my tables. The question is not what the present rate of interest is but what rate Government can afford to give for the next twenty or thirty years. The Government is to receive amounts now, which it is to repay, in the form of annuities or assurances any time within the next half century, and the question is therefore what it may take as the prevailing rate at which it can improve money during all that time. On this ground the rate has been taken at 3½ per cent.

As regards the second,—the rate of mortality,—the Uncovenanted Service Fund have kindly placed at my disposal the latest results of the investigation of the life rates prevailing among their subscribers. As is explained in my paper quoted in page 126 of the last edition of the *Pension Code*, there is a want of good statistics of Indian lives and no rates can be given for India with such exactness, or with such a certainty of induction, as they can for Europe. But, all matters considered, I think the best rates available for my present purpose are those based on the recent (1837 to 1872) experience of the Uncovenanted Service Fund; and I have accordingly adopted them. The rates are stated in two columns of the table below, the former of which shows the number living at each age out of 10,000 living at age 21, and the latter of which shows the number dying in each year out of that number.

The subscriptions to be paid on absentee allowance are reckoned on the rupee entry in the Last Pay Certificate; but in no case is subscription calculated on a smaller leave allowance than Rs418½, or on a higher leave allowance than Rs333½.

In the cases of subscribers in England who are not in receipt of any absentee allowances and who are allowed by the Rules of the Fund to make payments in order to retain their interest in the Fund, the allowance on which the rates are calculated is the allowance from Government last drawn when on furlough or sick leave.

Payments made in England are converted into sterling at the rate of two shillings or one shilling and nine pence the rupee, according as the subscription is paid to the 8 per cent, or 4 per cent Capital of the Fund.

- For daughters (if upon the Fund)—2 annas or 4 annas per cent
 For sons (if upon the Fund)—2 annas per cent.

A member on furlough and in receipt of an absentee allowance exceeding £500 a year contributes at the rates shown above on the amount in excess of £500 a year. Any member drawing no allowance, or drawing furlough or subsistence allowance of £500 a year or less, is not required to contribute.

Payments of subscriptions in England are converted into sterling money at the rate of exchange annually fixed for the adjustment of financial transactions between the Imperial and Indian Governments.

Furlough pay.

14 The term "furlough pay" having now a changed and two fold signification, in all future orders and references "furlough pay" will be understood as the half Indian salary within the prescribed limits specified in Rule V of these regulations converted at 1s 6d the rupee the privileged rate of exchange whilst "English furlough pay" will represent the rates heretofore allowed to the several grades as English pay under the rules of 1796 and 1854

NOTE (1).—[Where in these rules English furlough pay is mentioned as that to which an Honorary Commissioned Officer or a Warrant Officer is to be restricted, the rates laid down in Articles 854 E and 855 D, Army Regulations, India, Volume I, Part I, are to be understood as intended.]

NOTE (2).—[⁽¹⁾ Officers who elected these rules prior to 1st July 1871, or before Government General Order No 583 of 1871 reached their stations, will secure pay during furlough at the exchange of two shillings the rupee.]

1.—1. RETENTION OF APPOINTMENT I—1
KINDS OF LEAVE IV

Furlough Defined

RULE I.—1 The distinction with respect to allowances, which has been hitherto drawn between furlough and leave, is hereby abolished, both kinds of leave being in future being made for the obtaining of furlough when taken

Retention of Appointment

2 Leave under these rules will not involve forfeiture of appointment, except in the cases herein specially provided for

RULE II.—All military and medical officers taking furlough or leave under these Regulations retain their appointments during all leave of absence granted by competent authority, but their pay during such absence will be the same as they would obtain under these rules, had this exemption from forfeiture of appointment not been granted

RULE III.—The rules now prescribed do not affect the provisions of Act XXXIII of George III, Chapter 52, Section 70 ^(*); but an absentee cannot retain his appointment and draw absentee allowances except under the rules herein prescribed. Nor do they affect the regulations by which officers holding five year appointments can only obtain limited periods of leave without forfeiting their appointments. (See Article 887 of Army Regulations, India, Volume I, Part I)

Kinds of Leave

RULE IV.—Leave of absence will in future be of three kinds, viz.,—

- (i) Furlough in or out of India
- (ii) General leave on private affairs, or medical certificate in India or short leave to sea
- (iii) Privilege leave

(1) This rule does not apply to Officers who were admitted to the G. O. O. Military Department, No 991, dated 1871

RULE V.—1. An officer drawing staff pay in addition to pay of rank, proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office. (1)

(1) For the purpose of this rule, the temporary promotion from one grade to another of an officer of the Royal Engineers employed in the Public Works Department is an acting appointment, and the grade to which the officer is permanently attached is his substantive office. —(Finance Order No. 621, dated 31st May 1899.)

3. No absentee shall in any case draw more than £1,000 or less than £350 per annum.

NOTE (1)—[Should the furlough pay of an officer in civil employ be less than the furlough pay of his substantive military rank, the difference will be passed to him as a charge of the department from which he draws his pay.]

NOTE (2)—When the Indian furlough pay of a Military Officer, Combatant or Medical, is less than his English furlough pay, he is entitled to the latter.

NOTE (3)—The maximum furlough allowance, if paid in India, is the equivalent of £1,000 at the rate of exchange fixed for the time being for the adjustment of financial transactions between the Imperial and Indian Governments.

NOTE—[The personal allowance drawn by military officers in the Police under the order in the Finance Department, No. 999, dated the 19th May 1893, is included in the term "salary."]

—[An officer absent on furlough who may be transferred to another office during his absence, will be entitled to the furlough pay of the office to which he is transferred, provided that the transfer is sanctioned by the authority to which he is transferred, and that he returns to his original office on his return to duty pay or pay of rank.]

NOTE—[An officer promoted whilst on furlough to a higher grade in his own department is entitled, from the date of his return to India, to the pay of that grade, provided that on which he takes up the duties of his appointment, to the pay and Indian allowances of his rank, plus the half staff he was in receipt of when he proceeded on furlough.]

(1) For the purpose of this rule, the temporary promotion from one grade to another of an officer of the Royal Engineers employed in the Public Works Department is an acting appointment, and the grade to which the officer is permanently attached is his substantive office. —(Finance Order No. 621, dated 31st May 1899.)

(2) The allowance of a Commissioned Medical Officer in civil employ will not be less than half his unempowered pay, or if he was appointed to the Medical Service before the 7th November 1904, half the grade pay of his rank.

Appendix No 11

¶ But an officer whose term of office shall lapse, who shall vacate his appointment, or whose appointment shall be abolished during his furlough, will revert at once to the furlough pay which he would draw in virtue of his rank, as laid down in clause 8 of this rule.

NOTE — [Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause subject to a deduction equivalent to the amount of such income allowance.]

Furlough on Private Affairs

RULE VI — All grants of furlough on private affairs are subject to the exigencies of the public service (of which exigency the Government is to be exclusively the judge) and to any regulations that may be found necessary for limiting the number of absentees.

NOTE — [It is therefore within the competency of Local Governments and of the Commander in Chief to decline to forward the application of any officer whose absence would in their opinion, be detrimental to the interest of the public service, until such time

(1) — Furlough granted under these rules, without "furlough pay," will not reckon as furlough already taken in calculating the balance at an officer's credit, or as part of the total of eight years allowed, as shown in rule XVI, but all furlough with "furlough pay," whether on private affairs or on medical certificate taken under these rules, will so reckon.

(2) — Furlough and leave previously taken under the rules of 1796 or 1854, will count, as respects officers who have elected these rules, as follows —

(a) Furlough on private affairs, with pay, taken under the rules of 1796 or 1854 counts in all respects as furlough.

(b) Furlough on medical certificate, under the rules of 1796, does not count in any respect as furlough

(c)

(d) Furlough without pay under the rules either of 1796 or 1854 does not count in any respect as furlough

NB — Furlough on medical certificate with "furlough pay" obtained by officers under rule IX, Note (1) of these Regulations, between the publication of Government General Orders No 171 of the 25th February 1874 and No 197 of the 1st March 1877 will not be reckoned as "furlough already taken" in computing the amount of furlough at the credit of such officers, but it will form part of the aggregate of eight years allowed to officers

Illustrations

1. An officer, who has served nine years in India, is entitled to two years' furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' furlough as follows —

Total service in India	14 years.
Furlough due on that service	2 "
Furlough already taken	1 year
Balance for which he is eligible	2 years

2. An officer, who has served twenty years in India without taking furlough, is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

NOTE. — [An officer is said to have furlough at his credit, even though he may not be able to obtain it owing to the number of absentees or other causes, when the calculation of his service, as in illustration 1 above, shows a "balance for which he is eligible"]

RULE XI — 1. Furlough on urgent private affairs for six months on pay, equivalent to the British regimental pay of his rank, may be granted when the officer has less than six months' furlough at his credit, or when, from other causes, e.g., the number of absentees, or his not having served three years since his last return to duty, etc., he is not able to take it.

(1) This rule does not apply to a Military Officer in Civil employment who is otherwise subject to these rules. (See note to Article 124 in Chapter IV of these Regulations.)

Appendix No. 11.

The said period may form part of the periods of either eight or six years referred to in rule IX, and of the three years which are required to intervene between two periods of furlough by rule VIII.

2 This furlough cannot be given in extension of any furlough, neither can it be extended beyond the six months, except on medical certificate in which case the whole of the absence will be considered as furlough taken under rule XIV, clause 1.

NOTE (1) — [Furlough under this rule is not admissible to officers in civil employ. They are, however, eligible for "special leave" under the Civil Service Regulations. (See Note (2) to Rule XXXIII, Chapter III)]

NOTE (2) — [Ill health is not considered as warranting furlough under this rule in any officers who under the provisions of these regulations can obtain furlough on medical certificate]

Residence during Furlough.

Furlough on Medical Certificate

3. Should the circumstances of the case, however, warrant a further extension of furlough it can only be granted without pay.

NOTE — [All officers, however employed, and whatever the amount of furlough granted them may be, who leave India on medical certificate are required to produce a certificate of fitness for duty before they can be allowed to return.]

RULE XIV — 1. An officer whose health may necessitate his taking furlough within three years from the date of last return from any furlough, except that taken for a period not

fully certified to be necessary for the restoration of his health, not, however, exceeding one year in the first instance, but he will receive only "English furlough pay."

2 If, however, he shall have served three years since the date of his last return to India, though there may be no balance of furlough at his credit he will be entitled, on application, to furlough under rule V, and he will

RULE XV — 1 An officer entitled to furlough, whose health may necessitate his absence from India, must take the leave as furlough under rule IX, but without forfeiting any

2 Should such an officer, however, be declared fit for duty before the expiration of two years, he may be granted an extension on private affairs up to that limit, provided he has so much furlough at his credit, and that if he remains he will not be in excess of the established proportion of absentees

■ Any extension on medical certificate, of furlough taken under this rule beyond two years must be on "English furlough pay" under rule XIII, and without pay if on private affairs

NOTE — [All officers in military or civil employ on furlough in Europe requiring extensions on private affairs must themselves obtain and attach to their applications to the India Office a letter from the Government under which they are serving, showing that there are no objections to the grant of the extension]

Aggregate Furlough Admissible

RULE XVI — The aggregate amount of furlough, with pay and retention of appointment, on private affairs and on medical certificate that may be granted to an officer during his service, will be limited to eight years

NOTE (1) — [This aggregate is calculated agreeably to clauses 1 and 2 of rule IX (See also rule XXVI)]

NOTE (2) — [Furlough allowed by proper authority to reckon as service for pension under the provisions of Government General Orders Nos 1113 of 1857 and 95 of 1866, or in consequence of an officer's employment on any duty during his furlough, will not reckon as part of the aggregate period of eight years]

NOTE (2) — [From the 4th April 1870 to the 11th September 1874, inclusive, the date of disembarkation was reckoned as a day of furlough and not of duty.]

Subsidiary Leave

RULE XVIII — Subsidiary leave to embark for Europe or elsewhere on furlough will be granted for any period deemed necessary, not exceeding six months at a time, for the following reasons:

The only exception to this ruling is in the case of an officer detained on public grounds who, in reporting his departure, should attach a certificate signed by the head of his department or other authority, to that effect, but officers, whose furlough or leave out of India has appeared in orders, are not, if it can be avoided, to be placed on duties which are likely to cause their detention in India beyond the above mentioned time.]

NOTE (2)—[The amount of subsidiary leave admissible, and the allowances of military officers in civil employ during such leave will be adjusted according to Civil Rules.]

NOTE (3)—[Leave preparatory to retirement from the service does not reckon as service towards pension.]

NOTE (4)—[An officer unavoidably detained at the presidency for passage in a troop-ship, beyond the usual subsidiary leave, shall count the period of such detention as subsidiary leave.]

NOTE (5)—[An officer proceeding on furlough while on general leave, without rejoining, is not entitled to subsidiary leave.]

NOTE—[The indulgence granted by the above rule is only allowed to one directly officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.]

■ An Honorary Commissioned or Warrant Officer acting for one of a higher grade on furlough receives half of the aggregate allowances of the absentee, added to half of the aggregate of his own allowances.

RULE XXIII—[Military and medical officers under the Regulations of 1854 and 1868 count the following proportion of leave taken under these Regulations as service for pension]

Calculation of Furlough on Private Affairs.

RULE XXIV.—In computing the furlough on private affairs to which an officer, who has already enjoyed some portion of such furlough, will be entitled under these rules, it will be necessary to deduct the total amount of the furlough with "furlough pay" of which he may have availed himself under his previous commission from the total amount of furlough to which he is entitled under these rules.

(See sections 1 and 2 and the N.B. to rule IX)

Appendix No. 11

Illustrations

(1) An officer who had obtained under the existing rules two years' furlough after ten years' service returns to India on the date on which this order is promulgated. He accepts its conditions and serves four years longer in India. On the expiration of that term he can take one year's furlough, thus—

Total service in India	14 years
Leave to which that service entitles him	3 "
Already enjoyed	2 "
Balance	1 year

(2) An officer of four years' service has proceeded on sick certificate to England for twenty months, extended afterwards to two years. He returns, serves six years in India, takes two years' furlough and returns to India about the time of the promulgation of these rules, which he accepts. He must serve four years before he can take an additional year's furlough, thus—

Total service up to return from furlough	14 years.
Total service in India	10 "
Furlough enjoyed on that service	2 "
Further period of service to entitle him to one year's furlough	4 "

STATE RAILWAYS--RULES FOR FREE PASSES--[Enclosure to Public Works Department Circular No XLII (Railway) of 1881]

Nature of Cases

1 Free passes are of four kinds—

- (A) —Gold Pieces
(B) —Silver
(C) —Card
(D) —League

but it must be distinctly understood that these rules give no one a title to claim a free pass except those officers of the Postal Department hereafter mentioned.

2 A gold pass entitles the holder to travel at any time over all Indian State Railways

3 A silver pass entitles the holder to travel at any time over the particular railway or railways for which it is granted.

A silver pass held by an officer of a Guaranteed Railway Company will permit the holder to travel over every State line in immediate connection with the railway in which the officer belongs.

As a rule a card pass should only be issued for that portion of the railway over which the employe has to travel. It is left, however to the discretion of the Manager to extend the privilege of the pass as occasion may require.

6 A cheque pass entitles the holder to travel on the particular railway, or portion of the railway, for which it is granted, on the date and within the limits of distance specified on the pass.
